## **January Training Recap**

The Board of Directors met on **January 13** and welcomed a new director, **Bill Oliver (Bridgeton, MO)**, who will fill the vacant seat of **Brian Decarlo (City of St. Louis)** following his resignation.

The board discussed **several Missouri House Bills related to building inspections** and will keep members informed as more concrete information becomes available.

Additionally, we are working on **streamlining the payment process for seminars and events**. Eventbrite has become less efficient for our needs, and we are exploring options to manage payments in-house.
